## **52 TIMES \$2**

Can you plan your expenses during 1913 so as to make fifty-two visits to the Merchants National Bank with a \$2 deposit each time?

One hundred and four dollars, besides the interest earned, will look good at the end of the year, and the little self denials necessary to save it will be beneficial also.

This is the opportune time to start a saving plan. Will you do it?

Merchants National Bank, St. Johnsbury, Vt.

#### (Talks on Banking. Second Article.) **HOW BANKS ARE SUPERVISED**

The National Banking Act passed by Congress in 1863 provides for the organization of banks under national charter, fixes the amount of capital stock for cities and towns of certain classes, and provides fixed rules under which the bank shall conduct its affairs and business.

Except in rare instances of financial panies due to general business conditions, there have been no failures of National Banks strictly adhering to the provisions and rules of the national

Every national bank makes frequent reports of its affairs to the Government and is examined at intervals by United States In addition to this the bank is examined by members of the

board of directors representing the stockholders.

The First National Bank is conducted under the national banking law and is supervised by the Government. The First National Bank
